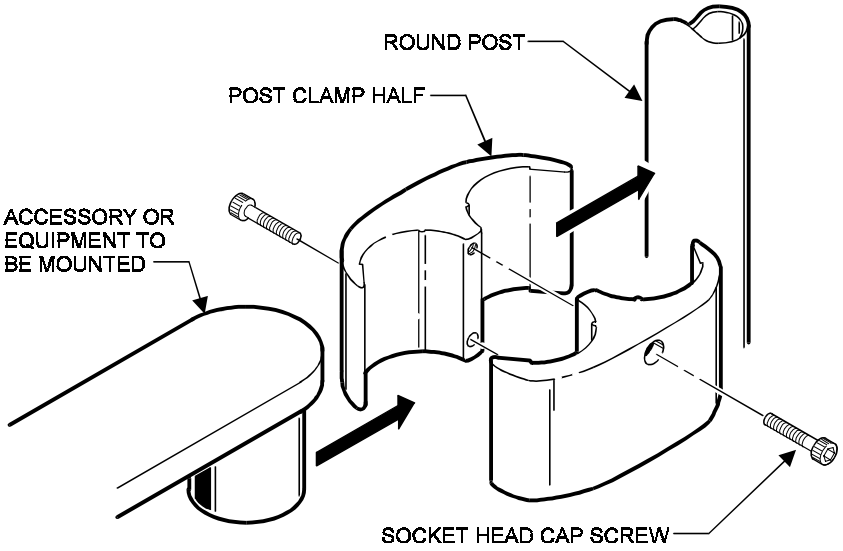
INSTALLATION INSTRUCTIONS for the 2" ROUND POST CLAMP KIT PN 152633

Knight® by Midmark

The KNIGHT Round Post Clamp is designed to fit all 2" round posts for quick and easy attachment of equipment, accessories, etc.



1) Position the two clamp halves on the round post as shown in the illustration.

2) Insert the two socket head cap screws and tighten just enough to keep the clamp from sliding down the post.

NOTE: To properly install the clamp, always tighten the screws evenly in an alternating fashion.

3) Insert the mounting end of the accessory and tighten the screws very tight.

4) Check to make sure the accessory and clamp are secure. Tighten the screws more if necessary.
